"My journey as a Higher Diploma in Tourism and Hospitality Management student at HPSHCC has been incredibly rewarding. Over the past two years, I have gained in-depth knowledge of hotel operations through both coursework and practical training.

One of the most valuable experiences was my internship, where I had the opportunity to apply my classroom learning in a real-world hospitality environment. Through this hands-on training, I significantly improved my communication skills by interacting with guests from diverse backgrounds, handling inquiries, and resolving service issues. Additionally, I honed my problem-solving abilities by managing unexpected challenges and strengthened my teamwork by collaborating with colleagues to ensure smooth operations. This internship not only enhanced my professional skills but also solidified my vision for my future career path.
